

*The Analysis of Verbal Behavior* (ISSN 0889-9401) is primarily for the original publication of papers relevant to a behavioral analysis of verbal behavior. The journal is published annually by the Association for Behavior Analysis: International, with support from the Verbal Behavior Special Interest Group (VBSIG) and the Northern California Association for Behavior Analysis (NCABA). Authors are encouraged to submit theoretical or empirical papers to the Editor, Mark L. Sundberg, P. O. Box 21492, Concord, California 94521-1492. Papers should be relevant to at least one of the following topics: the elementary verbal operants, autoclitics, multiple control, private events, rule-governed behavior, epistemology, scientific verbal behavior, language acquisition, language assessment and training, second languages, pedagogy, the verbal behavior of nonhumans, and verbal behavior research methodology. All manuscripts will be reviewed by the Editor and selected members of the Editorial Board.

# ABA Membership

ABA has seven categories of membership. A description, the benefits, and the requirements of each category follow:

## Sustaining and Supporting Members

Sustaining and Supporting Members are eligible to vote on ABA business matters and to participate in the Nominations and Election of Officers. Through their contributions, Sustaining and Supporting Members help support the involvement of undergraduate and graduate students in behavior analysis science and practice. Benefits: Citation in *The ABA Newsletter* and the Annual Convention Program Book, subscriptions to *The ABA Newsletter*, *The Behavior Analyst*, and special convention registration fees. Requirement: Same as Full Members (see below).

## Full Members

Full Members are eligible to vote on ABA business matters and to participate in the Nomination and Election of Officers. Full Member dues help support the involvement of undergraduate and graduate students in behavior analysis science and practice. Benefits: Subscriptions to *The ABA Newsletter* and *The Behavior Analyst*, and special convention registration fees. Requirement: The minimum of a Master's degree in the Applied or Experimental Analysis of Behavior or contributions to the field of behavior analysis; send vita and course records when requesting this status for the first time.

## Affiliate Members

Affiliate status is designed for persons who have an interest in behavior analysis or have completed undergraduate credit, but do not meet the Full Member requirement. Affiliate Member dues help support the involvement of undergraduate and graduate students in behavior analysis science and practice. Benefits: Subscriptions to *The ABA Newsletter* and *The Behavior Analyst*, and reduced convention registration fees. Requirement: Send letter of recommendation from a voting member of ABA.

## Emeritus Members

Emeritus Status is designed for persons who are past the age of 65 or who are retired. Benefits: Subscriptions to *The ABA Newsletter* and *The Behavior Analyst*, and reduced convention registration fees. Requirement: Send verification of retirement or age when requesting this status for the first time.

## Chapter/Adjunct Members

Chapter/Adjunct Members are members of an ABA-Affiliated National, Regional, State, or Local Chapter. Benefits: Subscription to *The ABA Newsletter* and special membership dues and convention registration fees. Requirement: A letter from the Chapter confirming Chapter membership must be sent annually.

## Student Members

Student Members are full-time undergraduate or graduate students, residents, or interns. Benefits: Subscriptions to *The ABA Newsletter* and *The Behavior Analyst* and reduced membership dues and convention registration fees. Requirement: You must send verification of full-time student, intern, or resident status.

## How to Become an ABA Member

In order to become a voting member (Full, Sustaining, Supporting, or Emeritus), you must include a vita and have earned a Master's degree in psychology or a related discipline. In addition, please include evidence of one of the following: (1) one year's supervised laboratory research, and your graduate project, thesis, or dissertation was an experimental analysis of behavior investigation, (2) one year's supervised practicum experience in the applied analysis of behavior, and your graduate project, thesis or dissertation was an applied analysis of behavior investigation, (3) two or more years supervised experience in the experimental or applied analysis of behavior, or (4) significant contributions to knowledge in behavior analysis evidenced by research publications, presentations at professional conventions, or by other comparable means.
